

Are you a nurse involved in the care of patients with Lynch Syndrome?

Would you like to be part of a brand new European nursing group?

We'd love you to join us in developing a supportive nursing network where you can discuss issues and ideas, gain expert advice, and share good practice with colleagues from across Europe.

Virtual meeting via MS Teams 29th September 2023 at 6.30pm Vilnius time / 4.30pm UK time

Please contact National Lead Nurse for the UK Lynch Syndrome Project,
